2. This statement, which is the responsibility of the company's management and approved by the company's board of directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian accounting standard 34 Interim financial reporting ("IND AS 34"), prescribed under section 133 of the Companies Act, 2013 and rules thereunder, requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, and other accounting principles generally accepted in India. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical procedure to financial data and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the Securities and Exchange Board of India under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

3. The Statement of Unaudited Consolidated Financial Results of the company for the quarter and nine months ended December 31, 2025 includes the result of an associate- SBEC Sugar Limited.

Based on our review conducted and based on the consideration of the review reports of other auditor, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the efforts of Indian accounting standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the regulation 33 read with the circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We did not review the interim financial results of an associate, SBEC Sugar Limited, included in the consolidated unaudited financial results, whose interim financial results reflect total net profit after tax NIL and other comprehensive income of NIL for the quarter ended December 31, 2025, and total net profit after tax NIL and other comprehensive income of NIL for the year to date results for the period April 1, 2025 to December 31, 2025 as considered in the consolidated financial results, since the investment value has been completely wiped off in earlier years. The interim financial results have been reviewed by other auditor whose reports are furnished to us by the management and our conclusion on the statement of unaudited Consolidated Financial Results, in so far as it relates to the amounts and disclosure included in respect of the associate is based solely on the report of the other auditor & the procedures performed by us as stated in para 2 above.
